**WORSHIP TIME:**

**LESSON:**

Today's story comes to us from the Bible. *(Hold up a Bible.)* The Bible is God's word to us, so we know that everything it says is true. *(Open the Bible and set it down in front of you as you give the lesson.)*

Do you like to make and build things? Maybe you build ships with Legos or high towers with wooden blocks. Maybe you like to make pictures with crayons or statues with clay. It's fun to get creative and build things.

The Bible says that God is the builder of everything. God built the Earth. God built the heavens above us and the ocean's below us. God made the animals. God made the trees, and the flowers, and the clouds, and the mountains, and the. . . well, everything!

God even made you. God made you special. He knows you and he loves you. Even before your mommy and daddy knew you, God knew you. When you were still in your mommy's tummy, God knew you.

Everyone gets scared at some point. Whenever we feel afraid, we can remember that God is always with us and loves us. God's perfect love can make our fear disappear!

Sometimes I can feel like I'm not important. Or that I'm not loved. But that's not true. I am important to God. I am loved by God. God made me.

You are loved and important to God. God made you.

**SIMPLE PRAYER**

*Dear Jesus, Thank you for making me to be a part of your wonderful creation. Amen*
